

## Immigration Services | Advice on procedures related to consular registration

viernes, 20 de abril de 2018

Find us on: [Facebook](#) | [LinkedIn](#) | [Twitter](#) | [YouTube](#)

Consular registrations not only allow expatriates to register their residence abroad, but they also give expats access to other benefits during their stay in Mexico. In some cases, consular registration is compulsory, since some governments require their citizens to notify their consulates of any change in their status during their stay in the country.

Our EY Immigration Services team provides a variety of services to help you navigate the different processes and procedures required for consular registration.
